

CERTIFIED PUBLIC ACCOUNTANTS & CONSULTANTS

Unparalleled Professional Service from a Leader in the Construction Industry

Whether you are one of the region's largest contractors or a local contractor, we have the experience, knowledge, and business expertise to help you achieve your objectives.

At KatzAbosch, not only are we well-versed in all aspects of the financial arena, we make it our business to thoroughly know yours. Our comprehensive understanding of the specialized needs of the construction industry allows us to lead you efficiently and effectively.

Seven of our team members have the prestigious distinction of Certified Construction Industry Financial Professional (CCIFP), a certification held by less than 15 professionals in Maryland and less than 500 professionals in the United States.

From assisting you with determining the most beneficial construction tax accounting methods, maximizing your bonding capacity to assisting in designing an efficient job cost system, our knowledge of the construction industry makes us an invaluable business advisor.

Our commitment to the construction profession includes, but is not limited to, the following services:

- Tax planning services designed to minimize income and estate taxes
- Assistance in obtaining bonding and maximizing bonding capacity
- Job cost systems evaluation and design
- Assistance in obtaining financing
- Business succession planning
- Preparation of compiled, reviewed, or audited financial statements
- Revenue recognition implementations

- Preparation of partnership, corporate and individual income tax returns
- Valuation of construction businesses
- Forecasted and projected statements of income and cash flow

For prospective clients, we offer a free accounting and tax "physical" to determine if the appropriate and most advantageous accounting and income tax guidelines are being utilized.

CICPAC is a national association of accounting firms who serve over 11,000 construction companies. Since 1989, CICPAC has driven engagement of our cohesive community of accounting firm members. Their members have been recognized for their outstanding contributions to the construction industry, as well as the communities in which they reside. Experts in the industry know the quality and commitment of CICPAC member.

Our clients are at an advantage because of the mutually beneficial relationship KatzAbosch shares with CICPAC. The CICPAC provides members with extensive networking opportunities, educational trainings, and the opportunity to meet and greet other professionals serving the construction industry.

In addition, KatzAbosch was a founding firm of the Leading Edge Alliance (LEA), a global alliance of major independently owned accounting and consulting firms in the United States, Asia, and Europe. Since its inception, we have become a leader within the organization by founding various subsets of the group and speaking regularly at LEA conferences.
